### Sentence Fragments from the Store's Treasure

The Champion of the Golden Hare Treasure Hunt is the first to find the 'treasures' from each of the 10 stores. With each find, you receive a fragment of a sentence, and your job is to put them into the correct order. If you do that, you will be able to follow the final Treasure Hunt instruction. To make it easier to gather these clues and keep a check on which stores you have already solved, you can make use of this:

Store	Sentence Fragments
Alcohol	
Books	
Clothing	
Electrical Goods	
Gallery	
Handbags	
Jewellery	
Perfume	
Phones	
Sports	

## The Shopping Mall Floor Plan

Without wishing to sound melodramatic, this is crucial for your navigation and survival, and the numbers shown at each store or area of the mall are the most important of all. These are the section numbers that you will turn to in order to visit each place. And there will be times when you are instructed to alter this number. In doing so, you will be able to plot your unique journey through the Golden Hare Treasure Hunt.
